

CLARINET FINGERING CHART

How To Read The Chart

● – Indicates hole closed, or keys to be pressed.

○ – Indicates hole open.

When a number is given, refer to the picture of the Clarinet for additional key to be pressed.

When two notes are given together (F# and Gb), they are the same tone and, of course, played the same way.

When there are two fingerings given for a note, use the first one unless your teacher tells you otherwise.

E	F	F# (Gb)	G	G# (Ab)	A	Bb (A#)	
B	C	C# (Db)	D	Eb (D#)	E	F	F# (Gb)
G	G# (Ab)	A	Bb (A#)	B	C	C# (Db)	
D	Eb (D#)	E	F	F# (Gb)	G	G# (Ab)	A
Bb (A#)	B	C	C# (Db)	D	Eb (D#)	E	F

The chart consists of five rows of musical notation. Each row contains a treble clef staff with a single note, and a corresponding diagram of a clarinet showing which keys are closed (filled circles) or open (open circles). Fingerings are indicated by numbers 1-5. Some notes have two fingerings shown, separated by 'or'. The notes are arranged in a chromatic scale across the five rows.
