

## ADVANCE HEALTH CARE DIRECTIVE

### Explanation

You have the right to give instructions about your own health care. You also have the right to name someone else to make health care decisions for you. This form lets you do either or both of these things. It also lets you express your wishes regarding the designation of your health care provider. If you use this form, you may complete or modify all or any part of it. You are free to use a different form if the form contains the substance of this form or otherwise complies with the requirements of AS 13.52.

**Part 1** of this form is a durable power of attorney for health care. Part 1 lets you name another individual as an agent to make health care decisions for you if you become incapable of making your own decisions or if you want someone else to make those decisions for you now even though you are still capable. You may name an alternate agent to act for you if your first choice is not willing, able, or reasonably available to make decisions for you. Unless related to you, your agent may not be an owner, operator, or employee of a health care institution where you are receiving care.

Unless the form you sign limits the authority of your agent, your agent may make all health care decisions for you. This form has a place for you to limit the authority of your agent. You do not have to limit the authority of your agent if you wish to rely on your agent for all health care decisions that may have to be made. If you choose not to limit the authority of your agent, your agent will have the right to

(a) consent or refuse consent to any care, treatment, service, or procedure to maintain, diagnose, or otherwise affect a physical or mental condition, including the administration or discontinuation of psychotropic medication;

(b) select or discharge health care providers and institutions;

- (c) approve or disapprove proposed diagnostic tests, surgical procedures, programs of medication, and do not resuscitate orders; and
- (d) direct the provision, withholding, or withdrawal of artificial nutrition and hydration and all other forms of health care; and
- (e) make an anatomical gift following your death.

**Part 2** of this form lets you give specific instructions for your end-of-life health care. Choices are provided for you to express your wishes regarding the provision, withholding, or withdrawal of treatment to keep you alive, including the provision of artificial nutrition and hydration, as well as the provision of pain relief medication. Space is provided for you to add to the choices you have made or for you to write out any additional wishes.

**Part 3** of this form lets you express an intention to make an anatomical gift following your death.

**Part 4** of this form lets you make decisions in advance about certain types of mental health treatment.

**Part 5** of this form lets you designate a physician to have primary responsibility for your health care.

After completing this form, sign and date the form at the end and have the form witnessed by one of the two alternative methods listed below. Give a copy of the signed and completed form to your physician, to any other health care providers you may have, to any health care institution at which you are receiving care, and to any health care agents you have named. You should talk to the person you have named as your agent to make sure that the person understands your wishes and is willing to take the responsibility.

You have the right to revoke this advance health care directive or replace this form at any time, except that you may not revoke this

declaration when you are determined to be incapable by a court, by two physicians, at least one of whom shall be a psychiatrist, or by both a physician and a professional mental health clinician.

(3) WHEN AGENT'S AUTHORITY BECOMES EFFECTIVE. Except in the case of mental illness, my agent's authority becomes effective when my primary physician determines that I am unable to make my own health care decisions unless I mark the following box. In the case of mental illness, unless I mark the following box, my agent's authority becomes effective when a court determines I am unable to make my own decisions, or, in an emergency, if my primary physician or another health care provider determines I am unable to make my own decisions. If I mark this box [ ], my agent's authority to make health care decisions for me takes effect immediately.

(4) AGENT'S OBLIGATION. My agent shall make health care decisions for me in accordance with this durable power of attorney for health care, any instructions I give in Part 2 of this form, and my other wishes to the extent known to my agent. To the extent my wishes are unknown, my agent shall make health care decisions for me in accordance with what my agent determines to be in my best interest. In determining my best interest, my agent shall consider my personal values to the extent known to my agent.

(5) NOMINATION OF GUARDIAN. If a guardian of

my person needs to be appointed for me by a court, I nominate the agent designated in this form. If that agent is not willing, able, or reasonably available to act as guardian, I nominate the alternate agents whom I have named under (1) above, in the order designated.
