## **IDENTIFICATION NUMBER DISCLOSURE STATEMENT**

Disclosure of your driver's license number, ID number or your Social Security Number is requested so that each individual who is registered to vote is identifiable in an accurate and efficient manner. If you do not have a valid driver's license number, ID number or a Social Security Number, you will be assigned a nine (9) digit identifying number during the processing of your registration.

Your driver's license number, ID number or your Social Security Number are used as necessary for administrative purposes only relating to voting, including identifying you as a registered voter, insuring no individual is registered in more than one place, verifying addresses, verifying voting districts, and may be used for any other lawful purpose. The registration application containing your driver's license number, ID number or your Social Security Number will become part of the registration records of your county.
