- I understand that once information is disclosed, the information is subject to re-disclosure and may no longer be protected by federal privacy regulations.
- I understand that I have a right to revoke this authorization at any time except in the case that action has already been taken in regards to the request for authorization. I understand that if I revoke this authorization I must do so in writing and present my written revocation to the Health Information Management Department. I understand the revocation will not apply to my health plan when the law provides my plan with the right to contest a claim under my policy. Unless otherwise revoked, this authorization will expire in six (6) months from the date signed below.
- I understand that authorizing the disclosure of this health information is voluntary. I can refuse to sign this authorization. I do not need to sign this form in order to assure treatment. I understand I may inspect or copy the information used or disclosed as provided in CFR 164.524. If I have questions about disclosure of my health information I can contact the Health Information Management Department Supervisor or Privacy Officer; I may also refer to the Notice of Privacy Practices provided to me at my initial visit at University Health Services or review it on University Health Services website at www.uhs.fsu.edu.

Please Note: This information has been disclosed to you from confidential records protected from disclosure by state and federal law. No further disclosure of this information should be done without specific, written and informed release of the individual to who it pertains or as permitted by state law (FL395.017, 455.241 and 394.459) and federal law 42 CFR, part II.

Prohibition on re-disclosure of information pertaining to alcohol and drug abuse records: This information has been disclosed to you from records protected by Federal confidentiality rules (42 CFR Part 2). The Federal rules prohibit you from making any further disclosure of this information unless further disclosure is expressly permitted by the written consent of the person to whom it pertains or is otherwise permitted by 42 CFR Part 2. A general authorization for the release of medical or other information is NOT sufficient for this purpose. The Federal rules restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient.
