To Whom It May Concern:

It is the policy of this office to handle documents submitted for re-recording in one of two ways:

- To accept the original document for re-recording with new signatures of (the original) signers and a new notary acknowledgement for them; or
- To accept the original document with enclosed affidavit completed and attached to the instrument.

Should you choose to submit the affidavit with the original document please note that it will be charged as a recordable page and filed as the last page of the document.

Depending upon the type of document being re-recorded, please add an additional \$4.00 or \$2.00 to your payment to cover the recording fee for the affidavit page.

Should you have any questions or need additional information, please call the number stated above.

Thank you,
