| This form includes medical orders for Emergency Medical Services (EMS) and other medical personnel regarding cardiopulmonary resuscitation and other life-sustaining treatment options for a specific patient. It is valid in all health care facilities and programs throughout Maryland. This order form shall be kept with other active medical orders in the patient's medical record. The physician or nurse practitioner must accurately and legibly complete the form and then sign and date it. The physician or nurse practitioner shall select only 1 choice in Section 1 and only 1 choice in any of the other Sections that apply to this patient. If any of Sections 2-9 do not apply, leave them blank. A copy or the original of every completed MOLST form must be given to the patient or authorized decision maker within 48 hours of completion of the form or sooner if the patient is discharged or transferred. | | | | | | | |
| CERTIFICATION FOR THE BASIS OF THESE ORDERS: Mark any and all that apply. | | | | | | | |
| I hereby certify that these orders are entered as a result of a discussion with and the informed consent of: the patient; or the patient's health care agent as named in the patient's advance directive; or the patient's guardian of the person as per the authority granted by a court order; or the patient's surrogate as per the authority granted by the Heath Care Decisions Act; or if the patient is a minor, the patient's legal guardian or another legally authorized adult. Or, I hereby certify that these orders are based on: instructions in the patient's advance directive; or other legal authority in accordance with all provisions of the Health Care Decisions Act. All supporting documentation must be contained in the patient's medical records. Mark this line if the patient or authorized decision maker declines to discuss or is unable to make a decision about these treatments. The patient's or authorized decision maker's participation in the preparation of the MOLST form is always voluntary. If the patient or authorized decision maker has not limited care, except | | | | | | | |
