IN CONSIDERATION of my child, _____, (my "Child") being permitted to participate in the activities or programs of the University of Massachusetts, through its GoKids Boston Program, ("GoKids Boston") or being permitted to use GoKids Boston's facilities, equipment or machinery, the undersigned parent or legal guardian of the Child, for herself or himself (the "Parent") and on behalf of the Child named herein, agrees and acknowledges as follows:

1. Participant hereby waives any and all claims for personal injury, death, illness, loss, expense, emotional condition, or property damage that Child or Parent may have against the Commonwealth of Massachusetts, the University of Massachusetts, its Trustees, officers, employees, servants, agents and executors arising out of Child's participation in any of the activities or programs of GoKids Boston or use of GoKids Boston's facilities, equipment, or machinery; except to the extent said claims are caused by the gross negligence of GoKids Boston.
2. Participant hereby forever releases and hold harmless the Commonwealth of Massachusetts, the University of Massachusetts, its Trustees, officers, employees, servants, agents and executors from and against any and all liability or responsibility for any claims, loss, damage, injury, death, illness, emotional condition, medical or other expense that Child may suffer or that Child may cause another to suffer, arising out of Child's participation in the activities or programs of GoKids Boston or use of GoKids Boston's facilities, machinery or equipment, except to the extent said claims are caused by the gross negligence of GoKids Boston.

Parent also acknowledges that fitness activities involve a risk of injury and even death. Parent agrees to voluntarily allow Child to participate in activities or programs of GoKids Boston and use the facilities, equipment or machinery with the knowledge of the dangers involved. Parent on behalf of Parent and on behalf of Child agrees to expressly assume and accept any and all risks of injury, death or loss that may occur to Child as a result of Child participating in the activities or programs of GoKids Boston or the use of the facilities, equipment or machinery. (Please initial _____)
4. Participant acknowledges and declares that Child is physically and emotionally sound and is suffering from no known condition, impairment, disease, infirmity,

or other illness that may prevent Child from participating in any of the activities or programs of GoKids Boston or use of the facilities, equipment or machinery.

5. Participant acknowledges that it is strongly recommended by GoKids Boston that prior to Child's participation in the activities or programs of GoKids Boston or Child's use of the facilities, equipment or machinery, Parent obtain a medical evaluation and doctor approval regarding the activities and programs of GoKids Boston and use of equipment and machinery.
6. Participant acknowledges that it is strongly recommended by GoKids Boston that Child have a yearly or more frequent physical examination and consultation with Child's physician as to physical activity, exercise, and use of exercise and training equipment so that Parent and Child may have recommendations concerning these fitness activities and equipment use.
7. Participant acknowledges that Child has either had a physical examination and has been given permission by a physician to participate, or that Parent has decided to allow Child to participate in the activities or programs of GoKids Boston and/or use the facilities, equipment or machinery without the approval of a physician. In either event, Parent agrees to knowingly assume for Parent and on behalf of Child all responsibility for Child's participation in the activities or programs of GoKids Boston and/or use of the facilities, equipment or machinery.
