How to use this template:

1. Make one copy of each of the options below for each item you have e.g. if you have 4 books in your list, make 4 copies of the "Book" template.

2. Replace the relevant words in each template while keeping the punctuation intact (except for the square [] brackets). Eliminate any words that don't apply to the information source you are describing (e.g. additional authors, edition number etc)
