**State of Tennessee
Department of Human Services
Information Gathering Letter**

NOTE: Each individual's Social Security number (SSN) is a critical part of case processing. Based on section 466(a)(13) of the Social Security Act [42 U.S.C. 666(a)(13)], you are required to disclose Social Security numbers to the child support agency. They will be used by the State's child support enforcement program to locate individuals for the purposes of establishing paternity and establishing, modifying, and enforcing support obligations. It is possible that your SSN and those of the child(ren) will be used to file interstate child support enforcement actions and to enroll the child(ren) as beneficiaries of health insurance coverage, and, as such, may be released to the other parent. The alternate residential parent's SSN is necessary to properly identify that parent for the purpose of locating him/her, for submitting cases for the Treasury Offset Program, and for other child support enforcement activities.

The information requested in this application must be provided by every applicant for child support services, regardless of whether they are the primary residential parent / caretaker or the alternate residential parent of the child(ren). **If you are the primary residential parent (PRP) / caretaker**, enter information about yourself in Section II and enter information about the alternate residential parent in Section III. **If you are the alternate residential parent (ARP)**, enter information about the primary residential parent / caretaker in Section II and enter information about yourself in Section III.

APPLICATION

I, _____, am applying for Child Support services provided by the Child Support Agency of the Tennessee Department of Human Services. I understand and acknowledge the following:

1. The Child Support attorney handling my case represents the State of Tennessee, not me personally.
2. The information that I supply is the source for any petition filed for me.
3. The Child Support office will act to enforce the alternate residential parent (ARP)'s legal child support obligations. If the Child Support office determines any action to be improper or unwarranted, it will not take that action.
4. If I give any information or testimony that a court finds to be false, the State may prosecute me for perjury.
5. If I get any money as the result of fraud on my part, I understand that the State may charge me with fraud. Also, the State may require me to pay back any money that I get through fraud.
6. The Child Support office does not promise the success of any action, or results within a given time.
7. The services provided by the Child Support agency only include enforcing rights to child support, obtaining and enforcing health insurance orders, establishing paternity, and in some limited cases, obtaining spousal support. These services do not include actions involving custody, visitation, or similar issues. If such issues are raised in this case, I understand that I must secure other representation.
8. Since anyone in the State may apply for Child Support services, this means the Child Support office may provide services to others whose interests conflict with mine.
9. I must pay filing fees or court costs if the court determines I am able to pay them. In addition, if I have never received Families First / Temporary Assistance to Needy Families (TANF) benefits, the State will charge me a \$25 annual fee for providing child support services, but only after collecting at least \$500 for my case in an annual period. To pay this fee, the State will keep the next \$25 in child support that it collects for my case after the initial \$500. If my case requires action by another state, I must also pay any filing fees or associated costs the other state requires for my case to proceed.
10. If I have received TANF or Families First benefits in the past, any support collected each month above the current support owed each month will be kept by the State to repay the TANF/Families First benefits I have received.
11. If the child(ren) in this case receive Medicaid or TennCare, I must tell the Child Support office immediately.
12. If I get a private attorney to represent me in obtaining child support, I agree to tell the Child Support agency immediately.
13. My case will be submitted to the IRS Treasury Offset Program if it meets the following conditions:
 - A. A court or administrative agency has ordered the alternate residential parent (ARP) to pay support.
 - B. A copy of the order, and any changes to the order, are on file in the Child Support office. Also, there must be a copy of the court's payment record on file in the Child Support office. If there is no court payment record, I must give the Child Support office a signed affidavit of the amount owed by the alternate residential parent (ARP).
 - C. The alternate residential parent (ARP) must owe at least \$500.00 past due child support under such order.
 - D. The Child Support office has the Social Security number (SSN) of the alternate residential parent (ARP).
14. I further understand that if my case is submitted for the IRS Treasury Offset Program:
 - A. There is no guarantee that money will be collected on my behalf. A Treasury Offset Program collection through the Federal Tax Refund Offset Program is only possible if the alternate residential parent (ARP) files a tax return and is due a refund from the IRS.
 - B. If money is collected through this process and a joint return is involved, the State has the right to hold the refund for six months before sending any collections to me.
 - C. If I have received TANF or Families First benefits, the State will keep part or all of the refund to repay any TANF/Families First benefits previously provided by the State.
 - D. The State has the right to withhold amounts from future IRS offsets if I do not voluntarily repay amounts paid to me in error.
 - E. The IRS charges a fee up to \$25.00 for each collection made through the offset program. This fee will be deducted before I receive any collection.
15. **I must repay to the State any money that I am overpaid, or that is sent to me in error.**
Some situations that can result in overpayment are: the State receives a child support payment by personal check or other payment method that is later dishonored; the State must return amounts to the IRS because the alternate residential parent (ARP)'s spouse filed an amended tax return; the State sends me a duplicate payment to replace a payment I did not receive, then I receive both payments; or, the State sends me any payment that I am not entitled to receive. I agree to allow the State to recover any overpayments, without notice to me, by withholding the overpaid amount from future child support that is processed. In addition, I will sign any agreement required by the Department of Human Services for repayment of any such overpayments. If the State must seek action against me to recover such overpayments or payments sent in error, I will pay the costs of such action, including court costs and attorney fees.

I swear or affirm that the information I have provided in support of this application is correct to the best of my knowledge, information, and belief. I will cooperate with the Department of Human Services and the local Child Support office in the matter. Further, I swear or affirm that I have read this affirmation and acknowledgment. I declare that I understand it fully and agree with the terms.
